Student: Are bananas good for you?

Student: I eat banana, that's why.

Student: They taste good don't they?

Good for you.

Student: Almost making my banana.

I'm going to do the ... cube.

This is like an ice cream cone.

Student: Strawberries.

Student: This is like an ice cream cone.

Student: Dirt? This is so dirty.

Speaker: We're going to make a gate for the animals so they don't escape.

It's supposed to be an elephant.

I'm going to make the gate. Can you make the gate?

Speaker: Yes.

Speaker: Can you make the gate so they go ... so they don't come out? It is back here, it's over here.

Student: You see the little pigtails? ... Apple ...

Speaker: This will be so weird.

Speaker: Get back in the house.

Student: My banana!
